MUTUAL FUNDS September 2021

## Why to invest in Mutual Funds?

Egghar @egghar egghar.in

MUTUAL FUNDS September 2021

But first let us understand what is basically a mutual fund.

**Mutual funds** pool money from the investing public and use that money to buy other securities, usually stocks and bonds.

Egghar @egghar egghar.in

MUTUAL FUNDS September 2021

But is it not risky to give your money to other companies to invest?

Egghar @egghar egghar.in

MUTUAL FUNDS September 2021

Yes, every investment has a risk percentage. But if you do proper research of the fund and their managers you're investing in, you can earn good returns over the time.

Egghar @egghar egghar.in

MUTUAL FUNDS September 2021

## Advantages Of Mutual Fund

- Portfolio Diversification
- Managed by professionals
- Systematic Investing & Withdrawals
- These are liquid funds
- Offers Transparency

Egghar @egghar egghar.in

MUTUAL FUNDS September 2021

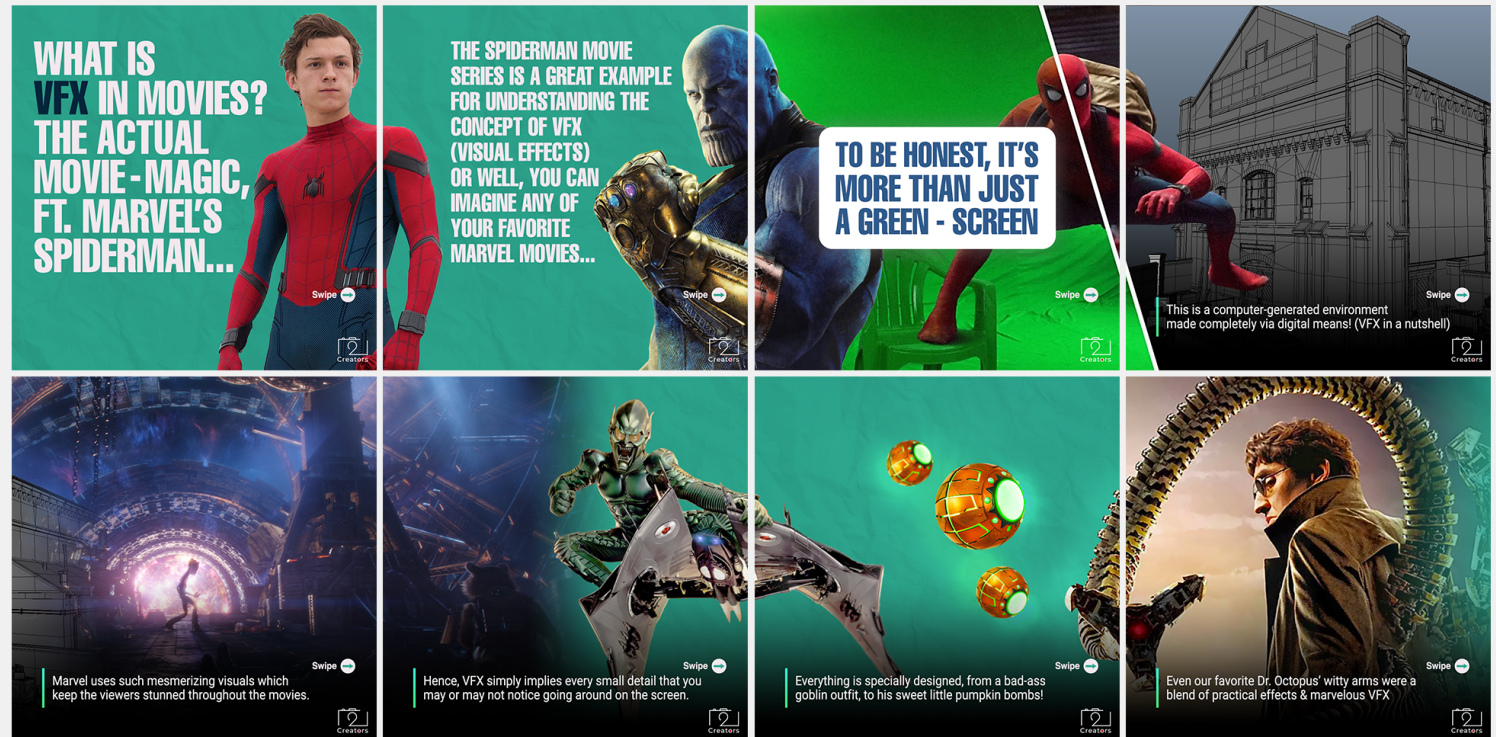

So do your research and mutual funds can be a good investment choice for you. If you already invest in mutual funds, let us know in the comments section.
